PROTESTED by Pacific Live Stock Company, September 27, 1916.

### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-  
cation, and do hereby grant the same, subject to the following lim-  
itations and conditions:

This permit is issued subject to all prior rights on the stream  
system of which this source is a tributary and with the understanding  
that the water will be returned to the stream at the point designated  
in the application, undiminished in quantity and unpolluted in quality.  
The State reserves the right to regulate the use of the water herein  
granted at any and all times. It is distinctly understood that  
applicants agree to the terms herein contained.

The amount of water to be appropriated shall be limited to the  
amount which can be applied to beneficial use, and not to exceed  
One (1.0) cubic foot per second.

Actual construction work shall begin on or before July 9, 1917.

Proof of commencement of work shall be filed before August 9, 1917.

Work must be prosecuted with reasonable diligence and be completed  
on or before July 9, 1919.

Application of water to beneficial use shall be made on or before  
November 9, 1919. Proof of the application of water to beneficial  
use must be filed with State Engineer on or before December 9, 1919.

Proof of labor filed AUG - 1 1917

WITNESS MY HAND AND SEAL this 9th, day

Cancelled Dec 11, 1918

of May, 1917.

applicant to comply with provisions of permit.
